As an Aya traveler, you have access to our industry-leading benefits package and lots of other unique perks. Take a look at what's available!

## Exceptional Benefits

**PREMIUM INSURANCE:** You have the option to enroll in Aya Healthcare's Anthem\* medical, dental and vision coverage. All Aya employees are auto-enrolled into Guardian's life insurance at no cost to you.

- Available if you're scheduled to work 30+ hrs/week.
- Coverage begins the day you start your assignment.
- Free preventative appointments, including screenings, immunizations and well-woman visits.
- Options to upgrade and add dependents.

\*Except for Hawaii and Guam. Reach out to your recruiter for details.

**GENEROUS 401K MATCH:** Aya will match your contributions dollar-for-dollar up to the first 3% and fifty-cents-on-the-dollar on the next 2%. For example, if you contribute 5%, Aya will match 4%. **Ask your travel experience specialist for specific eligibility criteria for both 401k enrollment and matching.**

**PAID SICK LEAVE:** Aya Healthcare is proud to be one of the only healthcare staffing firms in the industry to offer paid sick leave!

**HOUSING:** Whether you'd like Aya to set up your housing (along with a pet, too) — or you want to find your own home away from home — we customize your experience based on your needs and each individual assignment.

**EMPLOYEE ASSISTANCE PROGRAM (EAP):** The EAP is a confidential, 24/7 program available to you, your family and all household members at no cost. The EAP can help you and your household members receive immediate assistance and identify resources to solve personal problems, including:

- Mental health and other emotional issues
- Legal questions or concerns
- Childcare or senior care concerns
- Financial problems
